*Welcome to Cornerstone.
Thank you so much for being here today. We are delighted that you have chosen to worship with us. I pray that the Holy Spirit speaks to you in a unique way and that you follow Him with your whole heart. You will find that our worship service is relaxed but sincere as we strive to honor and worship the Lord as a corporate body of believers. If we can assist you in any way, please don't hesitate to ask.
God bless,
Pastor Steve*
